№ 53.03/40-529

Vice-Rector for International Relations  
Rzeszow University of Technology  
Prof. Grzegorz Ostasz

Dear colleague!

Kharkiv National University of Radio Electronics is going to send for an internship at the Faculty of Electrical and Computer Engineering of your university the following employees of our university:

- Igor Zakharov, Professor, Department of Metrology and Technical Expertise, DSc;
- Olesia Botsiura, Associate Professor, Department of Higher Mathematics, PhD.

Please send the confirmation from your university about the possibility of accepting our candidates in period from 21.01.2020 to 26.01.2020.

Your university will not bear any costs for internships.

Yours sincerely

Vice-Rector on International Cooperation

Murad Omarov
